This is Commitment Weekend!

This is Commitment Weekend for the *Continuing Our Journey Together* Program. All parishioners are asked to participate in the program by returning a commitment envelope in Mass today with their weekly offertory donation.

Extra materials will be available at the entrances to church this weekend, including program brochures, commitment envelopes, and enrollment forms for making electronic donations. Commitment envelopes can also be returned to the Parish Office.

Your support helps our parish to plan for the future!

Another Note on the Economy

We all share concern for the future of our national economy, especially in light of the negative news headlines that have become the norm in recent weeks.

For those who may question the timing of this parish wide appeal, please note that program preparation began in August, and the needs we are seeking to address have not changed, even in light of recent events.

Let us keep Assumption Parish and the nation in our prayers as we move forward in faith, continuing our journey together.

PLEASE CONSIDER YOUR COMMITMENT PRAYERFULLY and CAREFULLY

While not every family has the financial ability to increase their commitment because of fixed or limited incomes, many of our parishioners could manage to do so on a regular basis.

We realize that every commitment made is a true sacrificial gift to God. We can never out do God's generosity! Consider this program as an opportunity to say "Thank you, Lord, for everything."
