St. Mary Magdalene 11th Homecoming Festival

Tell your neighbors, family and friends: **our parish festival is just about here!** Let them know and invite them to attend on any or all of these fun days:

Thursday, June 13th

Friday, June 14th

Saturday, June 15th

Sunday, June 16th

How Are Raffle Ticket Sales Going?

The largest profit during the Festival comes from our **Main Raffle**, so **PLEASE** sell **as many raffle tickets as you can**. Most anyone will buy a ticket if asked! **PLEASE ASK SOMEONE, ANYONE, EVERYONE TO BUY A TICKET!** Last year, we offered two cars as an incentive for you to purchase tickets, which was a big hit. This year we are doing the same - offering the choice of **two** different cars as the Grand Prize, **OR**, an **optional \$16,000 Gift Certificate** for the purchase of the car of your choice exclusively with Sales Representative & parishioner **John Barner** at Classic Ford.

Send in the Crowds! Have You Invited Someone to Attend?

Our Annual Homecoming Festival has two goals: **gathering and celebrating our fantastic parish community** and **raising money to support our many important parish ministries**. The more people we get on the festival grounds the more potential we have to meet our goals. So, please ask family members, neighbors and friends to come with you to your festival. **Get specific!** Decide with them on a date or time to come up to the festival. On the inside page is a **EVENT CALENDAR**. Check out the list and decide on a day and time to come up to the festival.

We have a lot of new activities this year, including the **TGIF Teen Tent** sponsored by our youth ministry program. Send the teens you know to join in on the fun! Younger children will enjoy the **new shows and activities** this year. See the "Children's Tent & Activities" listing for more details.

Saturday afternoon is a good time for the kids to **ride the rides**. The grounds are a lot less crowded (*you can park closer!*) and there are shorter lines. Bring the littler ones up on Saturday too, **STARTING AT NOON!**
