PSR and Sunday Pre-School News

FROM THE DESK OF TERRIE BALDWIN, DIRECTOR OF CHILDRENS' MINISTRIES

I would like to take this moment to recognize and thank all those who helped to share their faith through words and actions this past year during PSR and Sunday Pre-School:

Erin Molder who volunteered countless hours in the coordination of the Sunday Pre-School Program; **Mary Lou Beers**, Sacramental Coordinator who coordinated the Grades 1 to 3 Program; the **catechists and aides** who came with love in their hearts and a true love for our parish children; the many fantastic **office workers** who help to keep things (*me*) organized; the volunteer **hall monitors, parking lot attendants, City of Willowick Police officers and Traffic Guards** who helped throughout the year to keep things running smoothly and our parish children safe; the **parent volunteers** who helped in and all of the events - from cutting out crafts to running to the store; and in a very special way, a word of THANKS to all the **children** for coming to learn and share their faith in new ways!

May you share the love of Christ that is in your hearts during the summer. I look forward to seeing everyone together again in the fall!
