Teaching

A Principal's Pride

FROM THE DESK OF JUDY NAKASIAN, DAY SCHOOL PRINCIPAL

As the days of the 2001-2002 school year wind down, the events and time seem to move even more quickly! Our 8th graders are getting closer to graduation and to moving along to High School. They have been an outstanding class and we will certainly be missing their familiar faces around the school, building.

To the Class of 2002 we say: "We will remember you, Class of 2002, for your spiritually moving presentation of the Stations of the Cross, your fine leadership demonstrated through Student Council and The Mary Magdalene Messenger. Some of your other special contributions have been making daily announcements over the P.A.; being buddies for the children in grade 3; being sign-up hosts and hostesses for Blue Angel Day and Career Day; assisting with Safety Patrol; presenting a wonderful 8th grade play; participating in outstanding discussions and presentations during religion and other classes; preparing a truly inspiring Holy Thursday Prayer Service; and working hard to raise funds for many worthy causes including your own graduation and field trip. We send our love, prayers and best wishes with you to Lake Catholic High School, to North High School and to Riverview High School.
