where you are!

Lake/Geauga District  
June/July/August, 2008

"We move ahead full of hope, knowing that this vision of adult faith formation can become a reality. Jesus the Risen One is still with us, meeting us on the pathways of our lives, sharing our concerns, enlightening us with his word, strengthening us with his presence, nourishing us in the breaking of the bread, and sending us forth to be his witnesses."

"Our Hearts Were Burning Within Us"  
Para. 182; 1,2

Website of interest:

*How can our workplace become fertile soil for our ongoing spiritual growth?*

<http://www.h2hc.org>

This website and ministry was founded by, Rev. Norm Douglas, a Diocesan priest, and Larry Vuillemin, an attorney, whose crossed paths in the spring of 1986. During his recovery from a life-changing stroke at the age of 35, Larry reflected on how his work life could be linked more strongly with his personal beliefs and values. Father Norm was looking for ways to help people experience their faith as more relevant to the practicalities of their everyday lives, including work.

These two men, connecting with others, began to explore ways to better integrate faith and work, to incorporate ethical commitment more fully into everyday decisions, and to bridge the gap between spirituality and daily "busyness."
